About Conference

*Medicine is the Science of
uncertainty and art of probability*

A Brief Introduction

Tropical Diseases 2019 (<https://tropicalmedicine.annualcongress.com/>) welcomes every individual to attend "6th International Conference on Tropical Medicine and Infectious Diseases" going to be held on January 28-29, 2019 at Barcelona Spain which includes various people presenting their research in the form of brief keynote speech, speaker talks, Symposia, Workshops, Speaker sessions and Exhibition.

Tropical Diseases 2019 would like to invite professors, scientists, researchers, and students, to discuss their method, research work regarding treatment of various Infectious Diseases (<https://tropicalmedicine.annualcongress.com/events-list/infectious-diseases>), Tropical Medicine (<https://tropicalmedicine.annualcongress.com/>), Parasitology (<https://tropicalmedicine.annualcongress.com/events-list/clinical-tropical-medicine>), Public Health, (<https://tropicalmedicine.annualcongress.com/events-list/tropical-medicine-and-various-other-medicine>) and Epidemiology (<https://tropicalmedicine.annualcongress.com/events-list/tropical-biomedical-sciences>) and most importantly concerning Neglected Tropical Diseases (<https://tropicalmedicine.annualcongress.com/events-list/neglected-tropical-diseases>). Keeping in mind the theme "Tracking New Research solutions and Trends for Elimination and Eradication of Infectious Diseases" Tropical Diseases 2019 is going to provide various information that will keep helpful specialists next to each other of the various issues and major problem occurring in Under developed (Tropical Countries), and finding various solutions and conclusion regarding the treatment of Infectious Diseases majorly concerning Neglected Tropical Diseases.
